“

Career Start is so much more than a temp agency... we've enjoyed such a tight relationship over the past decade I can't even envision us not using CS.

- Paul Reed, Nordon CEO

TIMEKEEPING & PAYROLL

Career Start's timekeeping solution allows for capture, approval, and interpretation of time from all sources accurately and easily. From a mobile app option to an on-site Time Management Console, Career Start and our partners have full access and visibility to approve/modify employee time accurately.

With in-house payrolling, Career Start ensures your temporary staff is compensated correctly and on-time.
