Let Tallavera® Show You How

Tallavera is a unique and impressive medical contingent staffing partner. A partnership with our preferred staffing agency will create a turnkey internal agency. Tallavera offers a significantly reduced markup to the system and will manage the entire front and back office operations, essentially providing a ready-made agency

Zero risks, turn key staffing partnership that works **with you, not against you.**

- High-quality, high-demand nurses and other clinicians, **executively dedicated to your organization**
- **Transparent and predictable pricing at a 15-30% lower bill rate**
 - **No start-up fees or hidden costs** - pay for performance only.
- Actively help you **reduce dependency on agency nurses and lower labor costs**
- **Access to experienced executive healthcare leaders (hospital CEO and CNO)** who work with your team to ensure staffing success
- **Cutting-edge technology** for optimal staffing and scheduling

Focused on quality, team, and long-term staffing solutions.

- **Better value proposition** for contract nurses:
 - Generally **higher hourly rates** and **desirable work arrangements**
 - **Treated like a part of the team** - opportunities for career development and growth (clinical ladder)
 - **Seamless bridge** to transition contract nurses to core employment
 - **Priority status** to fill open employed positions
